CONFERENCE EXTRAS

** KNB (Keep Norfolk Beautiful) is sponsoring the “Waste-free Lunch Contest” to make bringing your own lunch creative and fun. KNB will offer prizes to those that bring a lunch that doesn't generate any trash (using reusable containers, recyclable bottles, etc.)*

American Rover is a tall cruise ship along the Elizabeth River. Cruises showcase the best of America's greatest seaport. Sail majestically by giant merchant and navy ships, tugs, fishermen, yachts, and all the wonders of our bustling waters. The ships' design was inspired by 19th century cargo schooners, yet possesses modern amenities that assure a comfortable cruise...spacious topside decks with seating, climate controlled below deck cocktail lounges, clean restrooms, and a ship's store offering souvenirs, snacks, sandwiches, & your favorite beverages. <http://www.americanrover.com>

Nauticus is a spectacular maritime-themed science center featuring hands-on exhibits, interactive theaters, aquaria, digital high-definition films, and an extensive variety of educational programs. A gift shop and restaurant complement the experience. <http://www.nauticus.org>

Hanbury Evans Building is a design firm providing architecture, preservation, planning, interiors and landscape design services throughout North America. The firm was established in 1977 and incorporated in 1979. They currently have offices in Norfolk, Virginia; Wytheville, Virginia, and Tampa, Florida. <http://www.hewv.com>

DIRECTIONS:

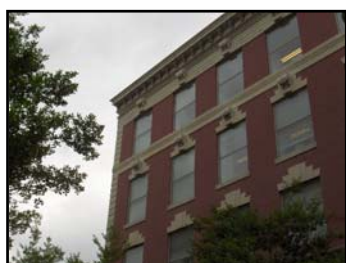

American Rover: Take I-64 toward Norfolk, then take I-264 West (if coming from the Virginia Beach oceanfront, just take I-264 West), towards downtown Norfolk. Take the left exit onto Waterside Drive. Go two short blocks to the blue roofed Waterside Festival Marketplace, and the AMERICAN ROVER Dock.

Nauticus: (One Waterside Drive, Norfolk 23510) From the North or Northwest (Williamsburg/Richmond) Take I-64 East - Exit onto 264 West towards Downtown Norfolk Take the Waterside Drive exit (exit 9) Nauticus is 4 lights down on the left.

From the South or Southwest Take I-64 West Exit onto 264 West towards Downtown Norfolk Take the Waterside Drive exit (exit 9) Nauticus is 4 lights down on the left.

Hanbury Evans Building: (120 Atlantic Street, Norfolk 23510) From Nauticus, it is but a five-minute walk up Main Street to Atlantic Street. Turn left on Atlantic Street and the building is located before the E. Plume Street. (The Hanbury Evans Building is closest to the Main Street Parking Lot.)

PARKING:

Because the conference begins with the American Rover just down Waterside Drive from the Nauticus, and ends downtown a few blocks away, parking in the City of Norfolk garages would be recommended. There are a number of garages to choose from. Unfortunately, reimbursement for parking is not within the budget at this time. Please go here for more suggestions on parking in downtown Norfolk: <http://www.norfolk.gov/Parking/Map.asp>

(Free Parking Alternatives: Check out the NET!)

<http://www.norfolk.gov/Visitors/net.asp>

Past Conference Hosts:

2004 – Virginia Living Museum

2005 – Williams & Mary College / Busch Gardens Tour

2006 - Norfolk Botanical Gardens www.nbgs.org

Are you interested in hosting the 2008 conference? Contact HRAEE today or be sure to list it on the evaluation flyer following this year's conference!
